## About Kids Pro Ice Racing

Kids Pro Ice Racing is a non-profit youth ice racing association based in the Twin Cities Region.

We have over 30 active families, who teach kids safe driving and racing practices as well as good sportsmanship skills.

Our families represent cities from Minnesota, North Dakota and Wisconsin.

Who races...

Our races range from 4-14 years of age, including both boys and girls.

We are well known for producing some of the finest racers in the ORA. (Oval Racers Alliance)

Our season...

Our race season begins at the end of December and runs through early March.

We generally race on lakes through-out west central Wisconsin, east central and central Minnesota.

We offer twelve race classes ranging between Amateur to F-1 kitty cat and Amateur 120 to our Champ Class.

We also offer a Junior Novice class and vintage kitty cat class.
